JULY 2023

*"Here we go on the Eagle Trail, Peace and Harmony Shall Prevail"*

## Worthy President's Report

Greetings Brothers and Sisters,

I'm starting off this months report with a sad heart. Our brother Robert "Bobby" Vigh passed away Tuesday morning (June 20th). Bob was the prime example of a true Eagle, always volunteering, helping other people and enjoying being a part of our fraternity. He was our Worthy President in 2008-2009 and even served as a Trustee last year. He was inducted into the Florida State Eagles Hall of Fame in 2017 and was a member of the Florida Dog Chain Club raising funds for service dogs. As you will see throughout this newsletter Bob touched just about everyone in our Aerie in one way or another. An Eagles Final Tribute ceremony is schedule for Saturday, July 15th at 2:00pm. Please come and pay your respects to a great Eagle. May he rest in peace.

Wow, what a fantastic Father's Day breakfast. Thank you to Melanie Moses for getting a great breakfast crew together to work that Sunday. Happy belated Father's Day to all the dads!

Just a reminder about your dues for 2023-2024. If you have not paid your dues you are currently a member "not in good standing" and ineligible for any of the privileges of the membership. Including access to the club or Memorial Foundation insurance coverage. If you do not paid your by June 30th you will be dropped from the rolls. If this happens, you will need to reenroll, pay an application fee, and be voted on the floor to be reaccepted into the organization. So please, pay your dues. Remember, membership is the lifeblood of our order!

Our July 4th Independence Day Party will be held on Tuesday, July 4th from 1:00-4:00pm. Come in and enjoy this special day with us. The Trustees will be cooking hamburgers & hot dogs and providing a some side dishes.

Congratulations to now Past State Worthy President Charlie Sperrazza and Past State Madam President Sherry Moore on a successful year. They accumulated a lot of miles, laughs and memories throughout the year. Best wishes to our new State Worthy President Bill Sprigg (who is from our own District 4) and State Madam President Laura Sager (from Ocala Forest) on their upcoming year. Their charity this year is the Wilson Children's Hospital in Jacksonville, Florida.

Let's all meet new people, join the excitement and be a positive influence! We are a volunteer organization. So, volunteer to pickup trash on floor, stack dirty dishes, work a breakfast, dinner, or charity event. Attend a fun night or charity fundraiser. Or, maybe just volunteer to reach into your wallet. Remember, the memories you make at the Eagles last a life time. Just ask some of our senior members.

*Here we go on the Eagle Trail,  
Peace and Harmony Shall Prevail!*

Fraternally,  
**Rob**  
Rob McCarthy,  
Worthy President

## Madam President's Report

Hello Sisters and Brothers,

I had the opportunity to attend the Florida State Eagles convention last week just up the road in Altamonte Springs. Over 450 Aerie and Auxiliary members, from all around the state, were in attendance sharing their knowledge and experiences. I must say it was very informative, interesting, and fun. There were business sessions in the morning followed by workshops and formal events in the afternoon. Plus, the fun hospitality rooms at night allowed everyone to socialize. Next year's convention will also be held in Altamonte Springs. Please think about attending next year around this time.

I was so proud to have the number #3496 on my badge when all the charity reports were read. We ranked 1st in contributions on four of the primary FOE charities, we were 2nd in five others, and 3rd for another. Keep up the great work everyone!

The State Presidents Charity raised over \$220,000 this year. I think it may be a new record for the state. The 41 Eagle Riders units within Florida collectively raised over \$39,000 for the State President's charity and presented a check to the representatives from University of Florida Health. Our #3496 sister Betty Ross was honored by being inducted into the Florida State Auxiliary Hall of Fame. Congratulations Betty - well deserved.

I probably won't make it back from my Alaska trip in time for our Fourth of July event at the Aerie, so have a good one!

Our Aerie is hosting the District 4 Meeting this month on Sunday, July 9th. Our district includes ourselves, Lockhart, Lakeland, Kissimmee, Seminole County and Clermont. We will need a few volunteers to do 50/50's and help with the food. If you can assist please let one of the officers know.

*See you around the Aerie!*

Fraternally,  
**Andrea**  
Andrea Kodysz,  
Madam President

## Aerie Secretary Report

Brothers and Sisters,

Here we are in July and the new officers have started getting their feet wet. If you happen to see a member sitting at the bar deep in thought and looking like they are missing something, don't worry, it's probably one of our new officers wondering what they may have missed in their first month of service. Every year we get the same look from every new officer. If you feel like you would like to be more active in the Aerie, please see Rob and take a committee position. This is how we will keep the Aerie going. These positions are very important and do not require a lot of your time.

We initiated 20 new members into the Aerie in JUNE. It is really great to see all of the new members in the Aerie and to still see all of the older members that come in regularly. But, it is disappointing to see the same old faces working in the kitchen and volunteering around the Aerie. I also had the unfortunate task of removing 115 Aerie & Auxiliary names from the door list that did not pay their dues for this year and are now *members not in good standing*.

If you have not seen the new email "Blast" program that sends an email to every member each week letting them know what is going on, please see me or Auxiliary Secretary Melanie to verify your email address.

Again, thank you all for supporting the Aerie. Thank you, thank you to all our Aerie and Auxiliary members that come out and support our charities and our organization. God Bless our volunteers, for you are the life blood of this organization.

If you are interesting in helping somewhere, please get in touch with one of the officers and let them know you want to help. Anything you can do is a great asset to our club and you might be surprised how well it makes you feel.

Looking forward to another exciting Eagle year visiting with all of you and celebrating renewed friendships and fellowship.

Fraternally,

Gary

Gary Miller,  
Aerie Secretary

## Auxiliary Secretary Report

Dear Sisters and Brothers,

We had 6 new members initiated and 3 reenrolled last month. This is a great start for the 1st month of our new fraternal year,

We had several Auxiliary officers and members attend the state convention last month in Altamonte Springs. Orlando #3496 did very well within the state with our charity donations last year. Florida also did very well with donations within the United States. Hopefully this standing will help us with our grant requests this year.

If you haven't paid your 2023-2024 dues it is now to late. You are now classified as a "*member not in good standing*" and unable to enter the Aerie. That includes even as a guest of another member. If you would like to reassociate you will now need to apply for reenrollment. This is why it is so important to pay your dues when you receive that first notice. Don't get dropped just because your forgot to pay!

Finally, we are still looking for someone to assume the position of Auxiliary Secretary. The busy annual membership renewal period is now over and the position is more routine - processing new members, logging financial transactions, and taking meeting minutes. If you are interested in the position and helping your Auxiliary please contact me or any of the current officers.

### Trustee News

June was the first month for your new Board of Trustees. The new members of the Board are learning how to record the daily sales, prepare the register and game banks, etc.

We have started a list of repairs and improvements that we plan to accomplish. If you have time to volunteer and are knowledgeable in any of the trades that will be needed to accomplish these projects please let us know:

- ◆ Repair drywall ceiling in men's west restroom.
- ◆ Fix hot water spicket on kitchen hand sink
- ◆ Clean ice machine - need to setup a regular schedule
- ◆ Repair/replace light timer/photocell in front of building
- ◆ Cleaning the shed and allocate space for decorations
- ◆ Design of a Memorial Garden

We lost our old, recycled Events Monitor (TV) during a recent lighting storm. So, if you have an unused big screen TV (approx. 50-55 inch) with an HDMI input - that you don't need anymore or maybe the audio went out on it and it's just sitting around - we could use it!

We lost one of our friends and past Trustee, past President, and #1 Events Decorator - Bob Vigh. He will be missed very much by all the members. A memorial service has been scheduled for July 15th and we hope you will come and join us in saying goodbye to a friend. He loved a good sock hop so we will be having one in his remembrance right after the service.

## Peckerhead News

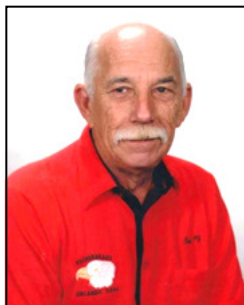

Well the Peckerheads are still going strong and we enjoy seeing you and visiting with you at the Aerie functions and especially at Peckerhead breakfast. We want to thank everyone that comes out for our breakfasts, because they are the most colorful and fun breakfasts that you can have anywhere. Don't forget that the Peckerheads make a joyous occasion for anyone's birthdays. Stay after breakfast and have a few rounds with the Peckerheads. It is a time to remember! At the last breakfast we brought Eric Marshall into the Peckerheads, so if you see him, please congratulate him.

It is with great sorrow that I have to report that we have lost one of our early members of the Peckerheads and a great member of the Aerie: **Mr. Bob Vigh, PH #9**, a member since 1999, has lost the battle and passed away Tuesday June 20, 2023. Bob was an outstanding member of the Peckerheads and of Aerie 3496. He was a constant performer around the club, whether it was cooking pancakes for breakfast or decorating the dining room for a function. Many of you knew Bob as a crazy dressing DJ or a hard working trustee, but what you didn't see was all of the work he did behind the scenes. He was first to step up to patch or paint a wall or fix a plumbing leak. He was the guy that many members went to when they had a washer, dryer, refrigerator, or some other appliance fail. He was always there to help. He was a great friend talking about our model railroading or talking about issues at the club. He was a Past Worthy President and was honored by the State Aerie as a member of the Florida State Hall of Fame. Everyone knew Bob and hopefully considered him as a friend, because if you didn't you certainly missed out on really knowing a very special individual and a great EAGLE. Bob you will surely be missed.

Check the boards at the Aerie for upcoming events. It has been a great couple of months, and we look forward to exciting things to come. We would also like to thank everyone that comes out for breakfast. We certainly appreciate your patronage.

## Meat Shoot News

We had a FUN and well attended Father's Day Meat Shoot Sunday. We had prizes again and Congratulations to all our winners.

Please be generous to the food donation bucket. These donations will go towards future prizes for our wonderful meat shoot players! Our volunteers prepare, set up and clean up so our Meat Shoot members can enjoy a meal/food.

We are always looking for volunteers to help or just cover if needed. If you can commit to one Sunday a month please see Sharon, Teresa, Al or Marilyn.

NOTE: We are so sad at the passing of Bob Vigh! He will be sorely missed. He has left a large vacancy in the club. He was a dedicated Eagle. He was our DJ, a Peckerhead, the Captain of the Decorating committee (member of 1), and a large part of the Children's Christmas Celebration yearly. Bob was always there to lend a hand and volunteer. There are so many roles within our Aerie where he will be dearly missed. RIP brother Bob!

## Chicklette News

We hope everyone had a wonderful Father's Day!

We continue to offer a number of different items for sale in the glass cabinet near the coffee pots. Please browse as you walk by and purchase something that might catch your eye. If there is an item you are looking for and don't see it, ask the bartender to make a note and she will pass it along to one of us.

NOTE: It is with deep sadness to announce one of our beloved Chicklette's Bob Vigh (Coyote) passed away. He will be missed so very much. Condolences to his sister Christine, and his close friends at FOE 3496.

## Eagle Riders News

For the next two months we will doing breakfast on the 3rd Sunday in place of the Charity team. This will allow us to build up a few funds for our club. Please let me know if you can help.

We are also planning some fun events for the September time-frame. Maybe another pig roast and a little athletic competition with the Shriners?

Come to our next meeting on Sunday, July 23rd at 11:00am in the Aerie dining room.
